Since 2008, faculty and staff at all of our SmartChoice partner institutions have been committed to helping students achieve a smooth transition to NSU as they identify their long-term educational goals.

Additional information and particular plans of study can be viewed on the NSU webpage: nsuok.edu/smartchoice.

REVERSE TRANSFER

You might already have the credits for a two-year degree. NSU and SmartChoice partner institutions have collaborated to develop a means for maximizing your prior work at your two-year institution. This agreement allows students to transfer the credits they obtain from NSU back to the community college they previously attended in order to complete the requirements for an associate degree. This process is referred to as a Reverse Transfer.
