EARN TWO DEGREES ON TIME AND ON BUDGET

**A.S. in Biology at TCC**

**B.S. in Cell & Molecular Biology at NSU**

## CELL & MOLECULAR BIOLOGY

Biologists make the world a healthier and safer place to live. You'll find them working in a variety of industries, including health care, agriculture, forestry, wildlife management, environmental science and more. Curious about life, creative, highly motivated and a passion for solving biological problems are just a few of characteristics of people who excel in this field. By starting at TCC and continuing onto NSU-Broken Arrow, you'll gain a firm foundation in cell and molecular biology. In addition, this program is ideal for students who wish to pursue graduate school (molecular biology, biomedicine, and forensics) or professional school (medicine, optometry, dentistry, and veterinary medicine) as well as for students who wish to seek employment in research laboratories.

**I chose this path after seeing an advertisement at TCC and awesome recommendations. The overall experience with the transfer process was so very easy.**

**-Jarrett Stites**  
**TCC2NSU Molecular Biology Student**

### Potential Careers

- Cell Biology
- Genetics
- Immunology
- Microbiology
- Molecular & Cellular Biology Laboratory

### Median Wage in Tulsa

**\$66,829** (Biological Scientist)

### Graduate study

Cell and Molecular Biology majors may also choose to pursue a graduate degree at NSU through their Master of Science in Natural Sciences program.

EARN TWO DEGREES ON TIME AND ON BUDGET

**A.S. in Child Development at TCC**  
**B.S. in Elementary Education at NSU**

## ELEMENTARY EDUCATION

Do you want to share your love of learning with the next generation? Do you enjoy working with children and helping them grow cognitively and developmentally? An Elementary Education degree provides an opportunity to work with students in first through eighth grades. By starting at TCC and transferring to NSU-BA, you gain all the major elementary content needed for the classroom, as well as participate in training for differentiated- and trauma-informed instruction, strategies for struggling readers/dyslexia, and work with students with disabilities and English language learners.

**The transfer process from TCC to NSU was very simple. They're very similarly structured... they have a lot of the same resources. All of my credits transferred from TCC to NSU.**

-Zach Little

TCC2NSU Elementary Education Student

### Potential Careers

- Elementary School Teacher
- Camp Director
- School District Elementary Education Coordinator
- Instructional Coordinator

### Median Wage in Tulsa

\$44,301 (Elementary & Middle School Teacher)

### Graduate study

With this degree, you can easily transition into any of NSU's two-year or less online graduate programs after obtaining your bachelor's degree.

### Support to Achieve Your Goals

- » Tutors and academic support throughout your program
- » Academic advising from TCC and NSU
- » Scholarship opportunities from TCC and NSU, including the Tulsa Achieves scholarship for Tulsa County high school graduates

EARN TWO DEGREES ON TIME AND ON BUDGET

**A.S. in Business Administration at TCC**  
**B.S. in Supply Chain Management at NSU**

## SUPPLY CHAIN MANAGEMENT

Getting the right products to the right place in the right time while doing it in the right way and at the right cost. That's what Supply Chain Management is all about: from moving grain to a cereal maker or toothpaste to your favorite store. Businesses need professionals to handle the logistics - from transportation, inventory management, warehousing, purchasing, information systems and more. And it takes people who know the language of business and accounting and understand the basics of finance, economics, statistics, leadership and marketing. That's where a degree in Supply Chain Management can get you where you want to be.

**I would categorize my experience in transferring from TCC to NSU as a seamless transaction. The working relationship between the two schools is excellent and will set you up for a successful career and degree.**

**-Joe Holder**

**TCC2NSU Supply Chain Management Student**

### Potential Careers

- Purchasing & Inventory Management
- Lean Concepts in Organizations
- Marketing Logistics
- Supply Chain Strategy
- Principles of Transportation

**Classes offered online. Veteran friendly.**  
**Strong job placement emphasis.**

### Median Wage in Tulsa

**\$78,724** (Transportation and Distribution Managers)
